## DALE CARNEGIE COURSE®

### **BREAKTHROUGH TO SUCCESS!**

Companies know that stronger business results are tied to the quality of "the human asset." After all, its people who increase customer satisfaction, expand market share, and build corporate value. Yet how can organizations prepare employees to deliver peak performance?

The newly enhanced **Dale Carnegie Course®** teaches participants how to strengthen interpersonal relations, manage stress, and handle fast-changing workplace conditions. What's more, people develop a take-charge attitude that allows them to perform with confidence and enthusiasm.

The training empowers people to move beyond their comfort zone as they reach for—and attain—breakthrough goals. This provides a foundation for life-long performance improvement.

**Does our training make a difference?** Yes, you will see it in business results as employees stretch their abilities, tackle complex challenges, and excel as consensus builders. Even better, you will see it on the bottom line.
