

# 4-DAY LUMBER GRADING SHORT COURSE

February 22–25, 2010 | Franklin, PA

Venango County Fairgrounds

The value of “rules conscious” employees is a more carefully manufactured product, a more profitable yield from the log, and a better sense of the value of the lumber being handled. This four-day workshop will include a thorough study and explanation of the NHLA Rules Book, emphasizing the basics of hardwood lumber inspection.

This popular workshop gives yardmen, sawyers, edgemen, sales and office staff, and management level personnel an introduction to lumber inspection. Classes will begin at 8 a.m. and end at 4 p.m. with breakfast at 7:30 a.m. and lunch from noon to 12:45 p.m.

## INSTRUCTOR

This short course will be taught by Barry Kibbey, NHLA National Inspector.

## FEES & REGISTRATION

**\$350 (US) per person** – The seminar fee includes registration, NHLA Rules Book, a Certificate of Completion, breakfast pastries, lunch each day and snacks. Dress for outdoor conditions for practice grading. Students should bring a notebook and grading stick, if they have one. **Registrations will be accepted on a first come, first serve basis. Class is limited to 20 participants.**
